The Signal Parties' maximum aggregate liability to you, under any and all claims and theories, shall not exceed twenty-five thousand dollars, even if such limitation of liability causes any clause or term to fail its essential purpose.

12. **Payments.** Upon termination of the Agreement or your material breach of the Agreement, you forfeit any and all bonuses, marketing credits, benefits, rewards, and spread that the Signal Parties offered or owe, or could potentially owe, to you.

17. **Order of Precedence.** Unless a specific part of the agreement incorporating these Terms explicitly states it intends to supersede these Terms by writing "Notwithstanding the Terms" or something substantially similar, to the extent there is any irreconcilable conflict the order of precedence shall first be the Terms and second the agreement incorporating the Terms.

18. **Entire Agreement.** The Agreement, including the Terms, constitutes the entire Agreement with respect to the subject matters expressly addressed herein, and supersedes any prior agreements, promises, negotiations, understandings, or representations.

19. **Further Assurances.** You shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other documents, as Signal may request in order to carry out the intent and accomplish the purposes of the Agreement.

20. **Law/Jurisdiction/Venue/Mediation.** Any controversy, dispute, disagreement, proceeding, or claim arising out of or relating to the Agreement, or between or among the you and any Signal Party (each a "Dispute"), shall be subject to exclusive jurisdiction in the State of Michigan, and any Dispute shall only be brought or heard

For avoidance of doubt, the mediation requirements shall not limit Signal's ability to pursue litigation. Signal and you agree to, consent to, and shall be subject to personal jurisdiction in Michigan. Signal and you agree that Wayne County, Michigan and Washtenaw County, Michigan are each a convenient venue, and waive any and all arguments that either is an inconvenient forum. The Agreement is entered into in Wayne County, Michigan, and both you and Signal conduct business in Wayne County, Michigan. In the event that Signal is successful, in whole or in part, in connection with any Dispute, then Signal shall be entitled to all of its costs and expenses from you, including but not limited to reasonable attorneys' fees. In the event that either party files any action not in accordance with the terms of this Section then the action shall be dismissed. The Agreement shall be interpreted under Michigan law, without regard to conflicts of law. To the greatest extent available at law, Signal and you waive any and all rights to jury trial for any Dispute where a jury trial waiver is permitted by law. You and Signal waive the ability to pursue any action against the other as a class action, either as a member of a class, as a representative, or otherwise. Notwithstanding anything to the contrary, Signal may seek injunctive relief, equitable relief, declaratory relief, indemnification, specific performance, and any claims related to the forgoing, in any court. You and Signal agree to strictly comply with the terms of this section.

21. Miscellaneous. In the event that any provision of the Agreement shall be determined to be illegal, void, or unenforceable, then only that provision will be limited or eliminated to the minimum extent necessary, and the remainder of the Agreement shall otherwise remain in full force and effect and enforceable. Headings herein are for convenience of reference only and shall in no way affect interpretation of the Agreement. Signal has and/or is willing to negotiate the terms of the Agreement, and the Agreement shall not be interpreted against either party as the drafter, and instead shall be interpreted as jointly negotiated and drafted.

22. Survival. These Terms shall survive termination of the Agreement.

Attachment A

California Labor Code Section 2870. Application of provision providing that employee shall assign or offer to assign rights in invention to employer.

Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

Result from any work performed by the employee for his employer.

To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.
